This email originated from outside of Loeb's Network.

Hi Danielle, Monday or Tuesday at 1p PT/3p CT works for me. Thanks for setting up the call. Steve

Quoting Danielle McKinley <dmckinley@rmpartnerslaw.com>:

Hi, Chris. Following up on the status of the product pages. Additionally, do you have time to meet and confer with Steve and I early next week? We would like to discuss potentially stipulating to a modification of the preliminary injunction. Otherwise, we may have to seek court intervention. Right now Monday afternoon is pretty open for me as well as Tuesday afternoon. If you and Steve can chime in with your availability that would be great.

Thanks!

Danielle

Hi Danielle,

My apologies for the delay. The stores mentioned below can be broken into two categories: (1) stores named in the case on Schedule A; and (2) stores that we believe are related and were discovered after filing the complaint. The product pages are forthcoming.

Category 1:

- Runchengyun
- Jiangyou-US
- Tomoloo-NX

Category 2:

- Gyroor
- Fengchi-US
- Urbanmax
- HGSM-US
- GaodeshangUS
- Tomoloo-AOX

As for Gyroshoes, this store was named in a separate case in the Northern District (20-cv-5905), but we have sought to amend the Schedules in that case to remove Gyroshoes because it appears to be sufficiently related to Gyroor-US.

Following up on this. Can you confirm whether these storefronts are involved in the case? If so, can you provide me with the accused products/exhibits. Chris,

As a follow up, you previously agreed to hold all discovery in abeyance until the Court rules on our motion to dismiss for Defendant GYROOR US. I wanted to confirm the same applies to the moving Tomoloo Defendants.

Thank you!

Danielle
